- PLC & SCADA basic level training for 4 days organised by Prolific systems Pune.

HOBBIES

- Being technical and learning new technical things.
- Watching TV channels like Discovery Science, National Geographic channel & News channels.

ENGINEERING PROJECT

Mini Project : On-Off controller using LM-35 Temperature sensor & Operational amplifiers.

Final Year Project :

Title : "WIRELESS FINGERPRINT-BASED ATTENDANCE SYSTEM USING XBEE"
Description :
The objective of project is to provide less time consuming attendance system. In project, one portable module with fingerprint scanner attached, is provided in hands of students. Students will enroll their attendance using registered finger. After completing attendance, attendance will be sent to department server directly after pressing submit button by teacher via XBEE transmitter.

The XBEE receiver module which is already attached to server will receive data and will forward it to computer. The computer will sort out present and absent students with the help of software and will be recorded in database.

STRENGTHS
- Self Learner.
- Smart worker.
